- Soccer
- Gymnastics
- Stunt Work

MMA PADDING provides protection in and around boxing cages, as well as, elevated and floor level MMA competition octagons and boxing or wrestling arenas of all sizes and shapes. Padding protects inside and outside posts and corners, as well as, the outside circumference of the cage.

- High impact mats, post pads, and wall pads are also available for training areas.
- Add your logo or company name onto corner pads, cage pads, or floors to promote your facility.
- Padding is easily mounted with hook and loop attachment.
- Manufactured to precise dimensions with quality construction.
